

Sorry we missed you! Just wanted to give you this information regarding the upcoming General Elections, Nov. 2. If you have signed up with Jeffco to receive a Mail-in ballot, you'll receive one the week of Oct. 12. We realize you are registered as Democrats but figured you would find this brochure helpful in particular because it shows everything that will be on your precinct's ballot including the ballot measures, plus it shows you the area of your precinct.

Best regards,
